

Šimon Vincze

Head of Sustainable & Safer Gambling

Šimon Vincze is Casino Guru's **Head of Sustainable & Safer Gambling**, and an advocate for Responsible Gambling. He provides guidance on player protection, steers the company towards current best practices, and seeks opportunities for Casino Guru to have a positive influence. He leads the [Global Self-Exclusion Initiative](#) and the [Casino Guru Academy](#).

Šimon is dedicated to making gambling sustainable and secure for all involved parties, prioritizing legitimate entertainment with acknowledged risks for players, while ensuring operators uphold responsibility.

Within the **Global Self-Exclusion Initiative**, Šimon is guiding a dedicated team that envisions an effective global self-exclusion scheme to deter struggling players. Recognizing shortcomings in existing tools, he aspires to create a strong barrier against online gambling allure. As part of the Initiative, Šimon is working on [Self-Exclusion Standards](#) together with the City, University of London.

In **Casino Guru Academy**, a free educational hub embodying collective knowledge, a team led by Šimon offers interactive courses on industry best practices, while emphasizing safer gambling. With insights from the Casino Guru and esteemed partners, the Academy fortifies player-operator relationships and shares vital practical knowledge.
